To whom it may concern

This is to certify that Ms. Samata Das has successfully completed the 2026 Summer Internship on "Web Development using Python" under my supervision, organized by the Department of Electronics and Communication Engineering, National Institute of Technology Sikkim (NIT Sikkim), from 9th June 2026 to 30th August 2026.

During the internship, she received practical exposure to various aspects of web development using Python. She actively participated in the assigned activities and demonstrated a willingness to learn and apply the concepts covered during the program.

Throughout the internship, she displayed sincere dedication, enthusiasm, discipline, and commitment toward her assigned tasks and responsibilities. She consistently showed an ability to understand new concepts, work systematically, and complete the assigned work with diligence. Her conduct and performance during the internship were commendable.

We appreciate her valuable efforts and active participation in the internship program and wish her continued success and prosperity in all her future academic and professional endeavors.
